## > EXPERIENCE

---

### FULL SPIN

2017 - Present

#### Creative Director, Owner

- Built a collaborative business servicing over 40 clients and creating jobs for over 10 collaborating contractors.
- My collaborators and I strive to offer quality Motion Design, 3D Visualization and Post Production to our clients locally and nationally.
- Manage and produce all projects while ensuring that all client needs are met and projects are finished within budget and on time.
- Manage all sales and business operations and manage contractors from all over the world.

### STEWART AND ASSOCIATES

2014 - 2017

#### Motion Designer

- Created and produced all video, animation and 3D visualization for over 15 national brands.
- Projects included broadcast commercials, broadcast graphics packages, 2D and 3D animation, web animation, 3D visualization and product rendering.
- Collaborated with colleagues to create new procedures that increased efficiency and reduced expenses.
- Participated in production shoots when needed and worked closely with directors, script writers and account executives.

### ELASTIC PICTURES

2011 - 2013

#### Visual Effects Artist and Animator

- Supported the team with all visual effects related tasks such as camera tracking, compositing, animated effects, rotoscoping and video clean up.
- Also supported the team with 3D tasks, animation, video editing and project management when needed.
- Collaborated with the team to create new efficient procedures and practices to increase productivity.
- Awarded Best Visual Effects for work on our short film in the local 48 hour film project.

## > EDUCATION

---

### BACHELOR OF FINE ARTS

2004 - 2007

#### Academy of Art University

Graduated from the Animation and Visual Effects program with Honors. Related coursework included fine art illustration, design, art history, photography, video editing, video production and film history.
